SCHOOL SIGN COMPLETED

The Rye Cove High School sign was completed in November. The foundation was made by Mr. George Butler and his agriculture students. Members of the Pep Club participated in fund raising activities to collect money for materials. The rock was donted by Mr. Ray Dockery, and the labor was done by Mr. Russell Sanders.

The Pep Club sponsor, Mr. Ed Brown, assembled memorabilia from the 1985-1986 school year for a time capsule. Mr. Brown placed the capsule in the sign before its completion. Included among the various items was a copy of THE COVE.

TO THOSE I LOVE

If I should ever leave you
whom I love
To go along the Silent Way
grieve not,
Nor speak of me with tears,
but laugh and talk
Of me as if I were
beside you there.
(I'd come — I'd come,
could I but find a way!
But would not tears and grief
be barriers?)
And when you hear a song
or see a bird
I loved, please do not let
the thought of me
Be sad . . . For I am
loving you just as
I always have . . .
You were so good to me!
There are so many things
I wanted still
To do — so many things
to say to you . . .
Remember that I
did not fear . . . It was
Just leaving you
that was so hard to face . . .
We cannot see Beyond . . .
But this I know:
I loved you so — 'twas heaven
here with you!
